REPORT OF THE COMMITTEE, 1937.

THE Hospital suffered a considerable loss during the year through the retirement in July of the Chairman and the Hon. Secretary. Both these gentlemen had left Blackheath for some time and only continued in office from a sense of duty and affection for the Hospital, and at considerable inconvenience to themselves.

Mr. Leavey's clear-headedness as Chairman has been of very great help, especially during the recent additional building, and his seven years service will long stand out as a noteworthy period. One of his last efforts was a personal appeal for subscriptions which resulted in cheques and promises for over £100.

Mr. Robertson who took office as Hon. Secretary 16 years ago has taken a prominent part in practically all the important alterations that have occurred, and his tact and kindly help will be greatly missed.

Mr. C. A. Priday (the former Treasurer) has kindly undertaken the office of Chairman, and the Hospital has been fortunate enough to secure the services of Mr. B. S. R. Cunningham as Honorary Secretary, and Mr. H. Kentish as Honorary Treasurer. The Committee are glad to report that the new arrangement is working very satisfactorily.

One other change must be noted ; Mr. C. Mace, who for the last 12 years has acted as Clerk to the Hospital, found his other duties did not allow him time to carry on with the Hospital work and, with much regret his resignation was accepted in July. Only the Hon. Treasurer can appreciate the good work that Mr. Mace has done for the hospital.

The post of Clerk has now been filled by Mr. B. Levett, who is rapidly making himself conversant with the work.

So far as Finance is concerned the deficit on the New Theatre and Private Wards Fund has now been reduced to under £500, and it is hoped that most of this will be liquidated during 1938.

Subscriptions and Donations show a slight increase, but the cost of the many items so necessary for the maintenance and general expenses of the Hospital continues to grow.

Efforts to interest new residents should not be abated and everyone should be asked to contribute in accordance with their means.

It should be borne in mind that in the event of the Voluntary Hospital system being abandoned the State would see to it that everyone did do so.

MEDICAL.

The year under review has seen a number of changes in the Honorary Medical Staff.

Dr. McAuslin, having left the neighbourhood, has resigned his post, and the Committee wish to express their gratitude to this gentleman for all the splendid work he has done for the Hospital. He was always on hand when wanted, and took the keenest interest in everything connected with the Hospital. One of the most useful members of the staff—he will be greatly missed.

A cordial welcome is extended to Dr. S. J. Spickett, whose election took place in the summer.

Dr. Eric Pritchard, Honorary Consulting Physician to the Hospital, has kindly agreed to place his services at the disposal of the Medical Staff in the form of a weekly visit to the Hospital.

An Orthopædic Out-patient Clinic has been opened on Thursday afternoons for the treatment of fractures and general deformities.

The Hospital with its up-to-date equipment is fully capable of serving the medical and surgical needs of this rapidly expanding district, and the awakening consciousness of this fact is reflected in the increasing number of patients, which was:—

In-patients.	Treated	443
	Recovered	399
	Improved	15
	Died	5
	Transferred	4

179 Major and 259 Minor operations were performed.

Out-patient attendances numbered 7,557.

The Committee wish to emphasize the value of having such a distinguished group of Honorary Physicians and Surgeons, and would like to thank them for their services so freely and generously given throughout the year.

NURSING.

It would be difficult to imagine the Hospital without Matron and Sister, who, together with their very able Nursing Staff, are chiefly responsible for the excellent name the Hospital has in the neighbourhood, and the Committee wish to extend their very warmest thanks to them all for the splendid services they render.

Whilst it has been possible to maintain the desired number of Nursing Staff and Probationers, it has at times been exceedingly difficult to replace those leaving. There is a definite national shortage of women willing to undertake this magnificent work, and the question is becoming acute.

OUT-PATIENTS.

The duties of Honorary Almoner have kindly been taken over by Miss Margaret Christopherson, who has successfully reorganised this department. As this means an attendance of three half-days a week, subscribers will realise that this lady has to devote a large part of her time to this work. Recently Miss Christopherson has had to undergo an operation (success-

fully performed in the Hospital), and during her absence the work has been done by Miss Priday. The Committee wish to express their grateful thanks to both these ladies for all their work.

THANKS.

Many kind friends have helped to contribute to the Hospital's success both with work and donations, amongst others the following :—

For the New Theatre Fund.

The late Mrs. WORRINGTON	£100
Mrs. GARDNER	50
HOSPITAL CARNIVAL, per J. D. STITT, Esq.	50
The late Miss E. PARMINTER	50
The DEAN THEATRE, per Messrs. A. J. and H. E. KENTISH and J. H. ROBINSON	25
(who also refitted the hospital with new earphones).				
BLACKHEATH & CHARLTON CHAMBER OF COMMERCE			28	
"HELP YOURSELF," through the energies of Messrs. W. DUNN and F. G. KENT	23
and numerous other contributors.				

For General Purposes.

THE LADIES' WORKING GUILD again heads this list. Their Sale of Work proved very successful this year, and the amount they were able to hand over was £352.

THE SUNDAY CINEMAS contributed as follows :—Gaumont, Lewisham, £175; Roxy, Blackheath, £52; Broadway, New Cross, £50; Granada, Woolwich, £36; Granada, Greenwich, £6.

THE HOSPITAL WELFARE SOCIETY through their House-to-House collections in the districts served by the six local Hospitals were kind enough to allocate £150.

King Edward's Hospital Fund	...	£150
Alexandra Rose Day Fund...	...	60

THE HOSPITALS SAVING ASSOCIATION payment amounted to £1,537. This is a very important contribution to the hospital, and is one of the fairest methods of getting the general public interested in Voluntary Hospitals. Broadly speaking, the H.S.A. pays half the cost of upkeep for all their patients.

Mr. L. MORGAN MAY kindly subscribed a further £50 towards the Sarah Charlotte May Memorial Fund.

Thanks are also due to Miss DRUMMOND, of Eltham, who has so kindly made all the Swabs used in the hospital, and to the Charlton Branch of the Toc H, who have so strenuously carried on the work on the vegetable garden in the new grounds.

The retiring Members of the Committee are Mrs. Cunningham, Mrs. Stitt, F. G. Kent, Esq., and the Rev. F. H. Sheldon, and the following nominations have been received :—Mrs. J. Burrell, Mrs. Stansfield, Brig.-Gen. J. C. G. Hunter and C. Atkinson, Esq.
